

Employer and Employee

Although at Marchants we do not have a specialist employment solicitor we can direct you to a specialist firm of solicitors who will provide solely employment advice. If you have a dispute with your employer or are an employer looking for advice please contact us as soon as possible for details. Please note that most employment claims have very short time limits so it is essential that you contact us straightaway.

Please therefore contact the office on 01623 655111 for further information.
