

Professional Negligence

Although often we receive well founded advice sometimes professionals get it wrong. If you believe that you have received negligent advice from a professional, including other solicitors, please contact us.

We can then review the advice given and confirm whether we agree or provide an alternative solution. We can also give you an opinion on any claims you may have especially if a firm of solicitors have refused to take on your action or claim on a no win no fee basis.

Please contact Debra Higgins on 01623 655111 or email dhiggins@marchants.co.uk who will be happy to assist.
