

## Whiplash Claims

Whiplash claims are usually as a result of being involved in a road traffic accident (RTA). There are sometimes described as soft tissue injuries. Often when you are involved in a RTA your insurer or someone to whom they have passed your details, will contact you and try to persuade you to use them to pursue a claim.

This will often mean that your claim will be handled by a claims handler, not a Solicitor, who more often than not be based miles away. By coming to Marchants you can be assured of your claim being handled by a local experience Solicitor and you will get to keep 100% of your compensation.

Don't delay as there are suggestions that as of 2017 claims for minor whiplash may be stopped altogether. Please contact Debra Higgins on 01623 655111 or email [dhiggins@marchants.co.uk](mailto:dhiggins@marchants.co.uk)
